

Primary applications: Lawns and narrow areas

Main features

- Pop-up sprinkler with five adjustable nozzles
- Low, standard and high flow rate patterns
- Low, medium and high spray angle
- Riser ratchet for smooth arc alignment
- User-friendly installation
- Individual filter
- Anti-leakage device for slopes available on request

Technical data

Adjustable nozzles: A7 brown, A10 red, A12 green, A15 black, A17 gray

Recommended working pressure: 1.0 - 3.0 bar

1/2" Female water inlet

Performance table

Nozzles		7 A Brown		10 A Red		12 A Green		15 A Black		17 A Gray	
Irrigation arc	Pressure bar	Flow l/h	Radius m	Flow l/h	Radius m	Flow l/h	Radius m	Flow l/h	Radius m	Flow l/h	Radius m
