CE DVE GS FIS * Nautilus 80, Nautilus 110, Nautilus 150 only

All Nautilus fountain pumps have a telescopic extension of 47 – 58 cm. The comprehensive guarantee of 3 years can be extended by an additional 2 years on request to 5 years in total.

*¹ For additional information about the Nautilus Solar 70/140, see pages. 16–17.

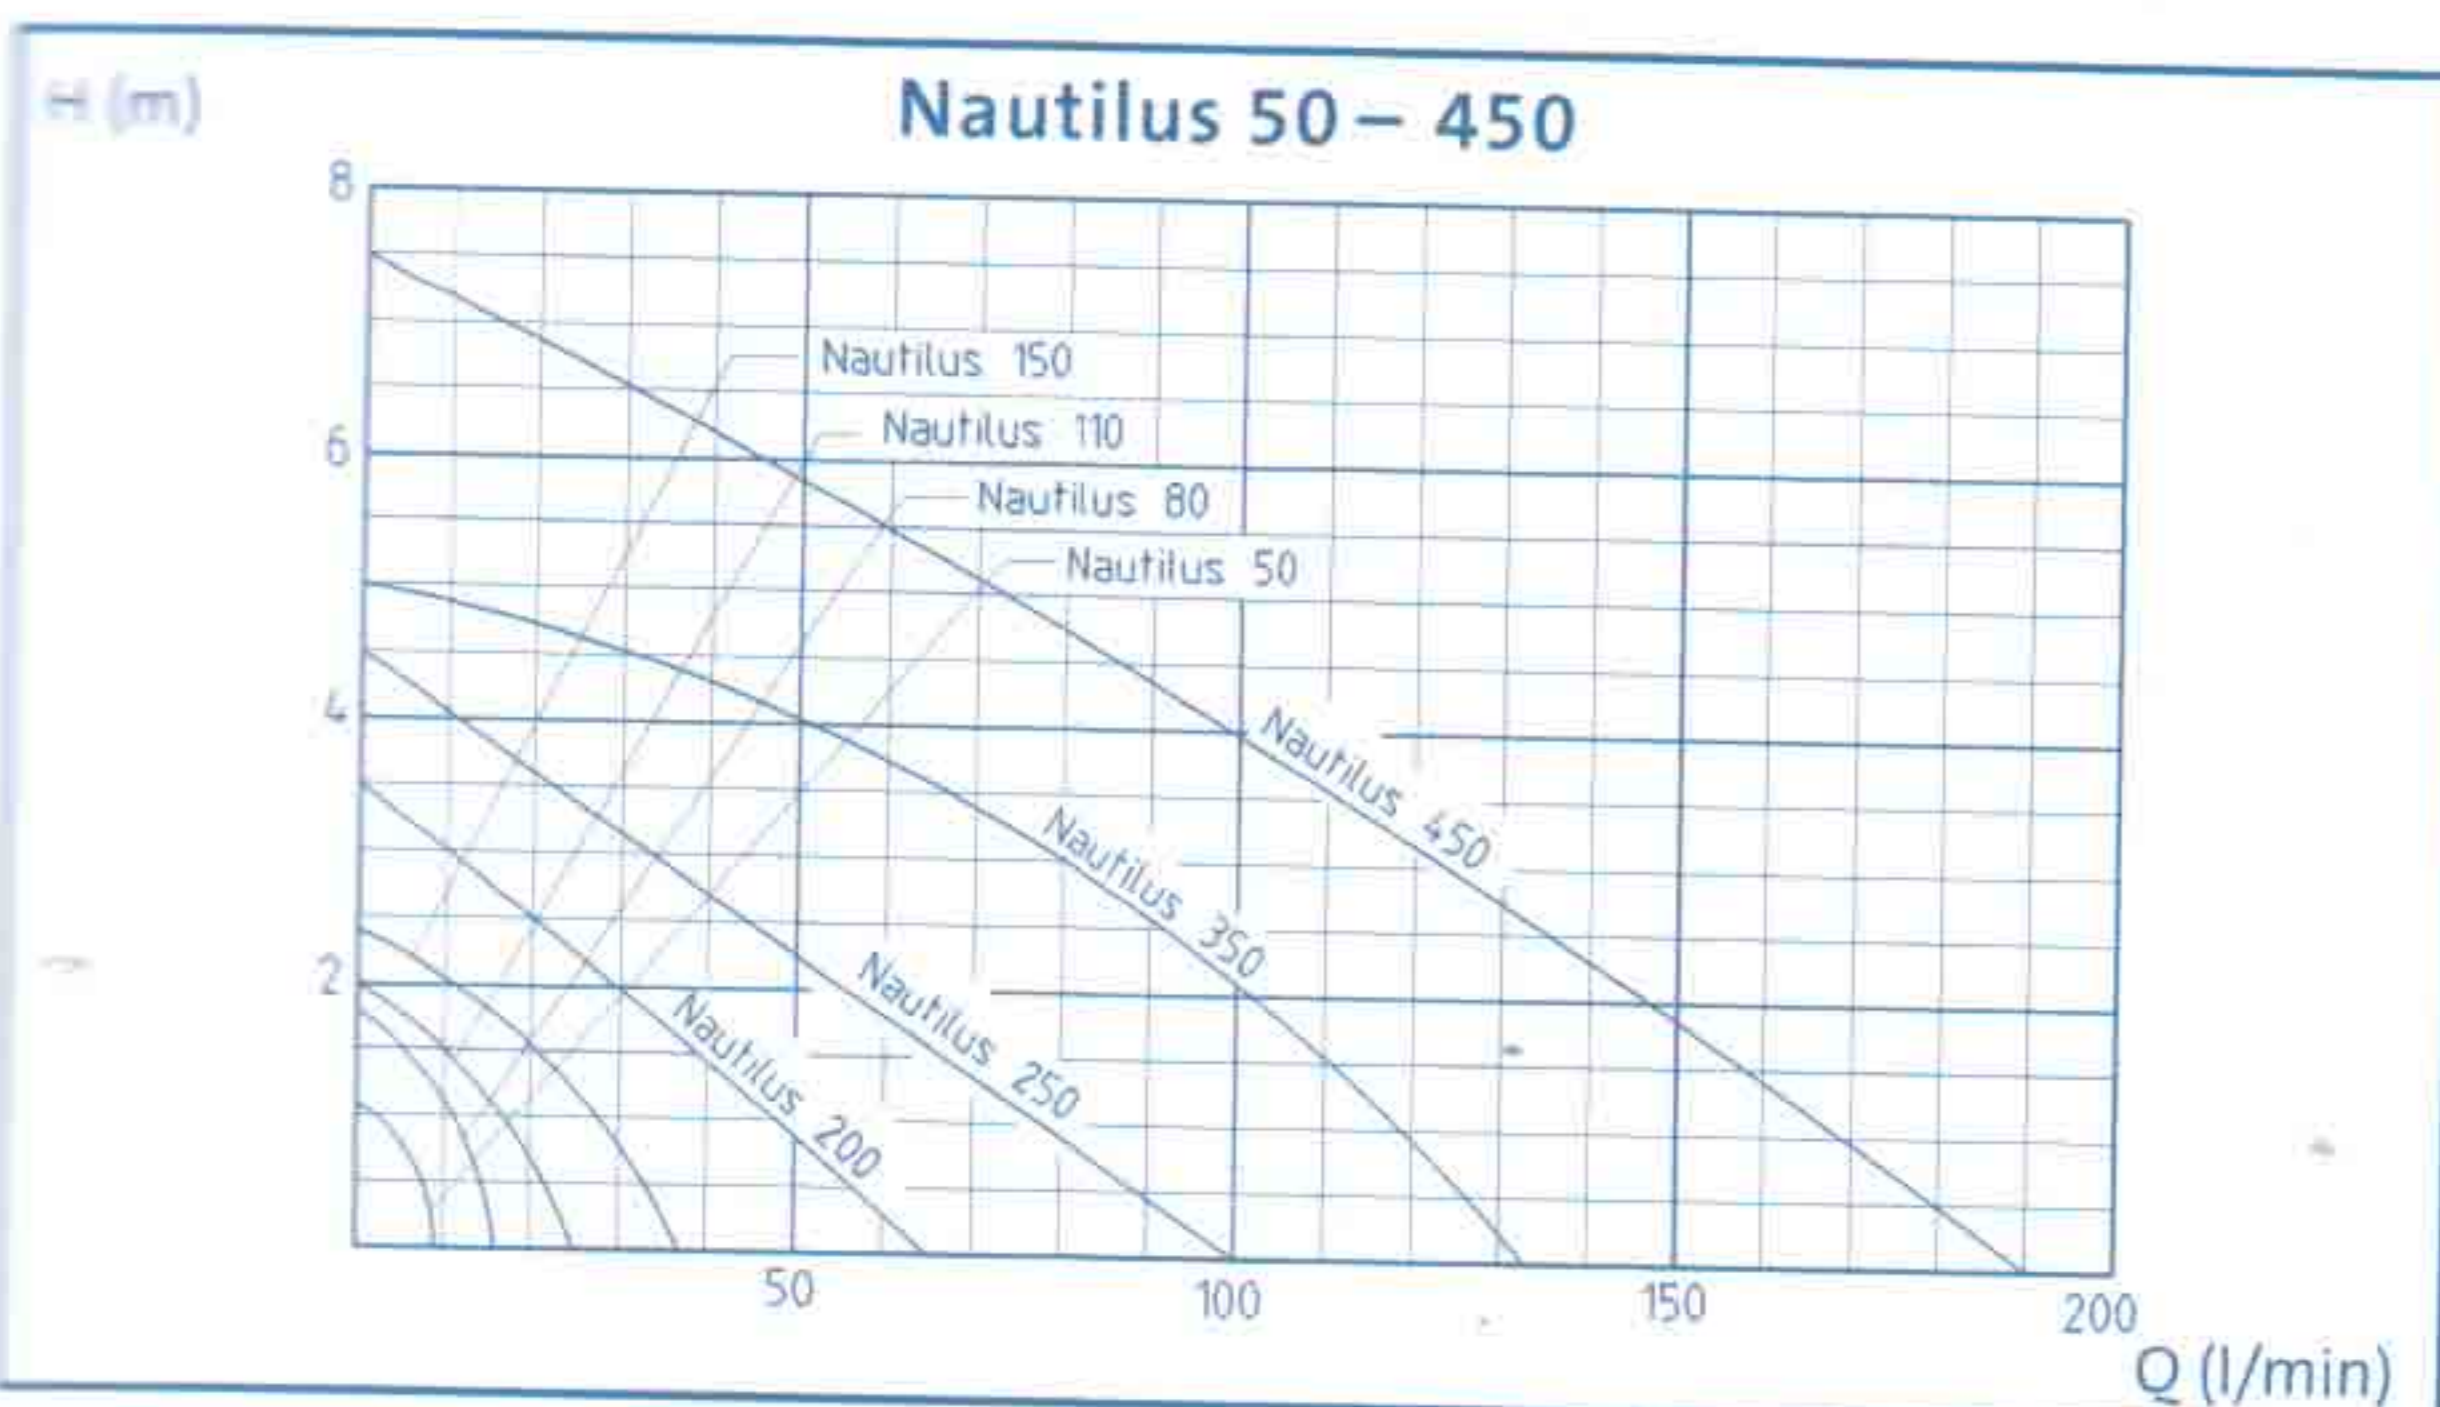

Filter wings
Can alternatively be placed on the supplied adapter and positioned at the edge of the pond.

Flow regulator
Flow rate and fountain height can be adjusted from the pond edge via the regulator on the adapter.

Pump performance curves

Comparison of pump performance curves, s. p. 132 – 135.
